Direzione Generale

**THE SERVICE HAS BEEN TEMPORARY RESTORED,
BUT THE AUDIO QUALITY REMAINS LOW (*Updated
March 8t, hrs. 18.40 CET*)**

**INTERRUPTION OF VATICAN RADIO PROGRAMS ON
INTELSAT SATELLITE CHANNELS DUE TO TECHNICAL
PROBLEMS.**

The feeding of Radio Vaticana's programmes towards its Intelast Satellite Channels AOR 1, 2 and 3 is interrupted to due an unpredictable, serious technical default. We hope to restore the service as soon as possible. A new message will be sent out as soon as the service will be restored.

we hope in your understanding.
